Name:

Part 3. Animals for Educational Purposes.

Animals are permitted on campus for educational purposes. Any employee who wishes to bring domestic animals on campus for educational purposes must:

- 1. Inform students of the date, time, location, and duration of the presence of animals on campus at least three business days prior to the animals coming onto campus.
- 2. In the case of animals in the dassroom, faculty must ensure the health and safety of the students. Students who have allergies or phobias must be provided alternative educational experiences.
- 3. in writing the date, time, location, and duration of the presence of animals on campus at least three business days prior to the animals coming onto campus. The written notice must include copy of the student notification.

Part 4. Feral and Wild Animals.

Feral or wild animals that are not a risk and do not represent a hazard, cause property damage, or create a public nuisance, and that do not require human intervention, may inhabit the campus grounds.

No person may do anything to attract feral or wild animals to campus, nor may any person feed or set out food or water for feral or wild animals on campus or engage in any other human intervention. Human intervention includes, but is not limited to, attracting animals, feeding, watering, building of shelters for animals, and providing medication.

Feral or wild animals that are a potential risk, represent a hazard, cause property damage, create a nuisance, or otherwise pose a potential threat to the health or safety of humans will be regulated, controlled, and/or humanely relocated in accordance with all applicable laws and regulations.

No person may intentionally harm wild or feral animals on campus.
